Port
of Seattle®

Safe Moorage for Boats

- It's important to have safe docks for the boats
- Easy access via truck & cranes

- Dockside access for contractors
- High Voltage Hookup (208 or 480 V)

Access to Services

- Electricians
- Mechanical services
- Parts
- Customer & Crew Amenities
 - Highliner Bar & Grill
 - Bay Café
 - Chinooks
 - Green Market & Deli
 - Seattle Marine & Fishing Supply Store (SeaMar)

Access to Gear Storage

- Net Sheds

- Land Storage

- The closer the storage is to the boat the better it is for the customer

Ability to Work on Boats

(Within the Law)

- Work Floats

- Areas to Load Nets

- Areas to spread and repair nets

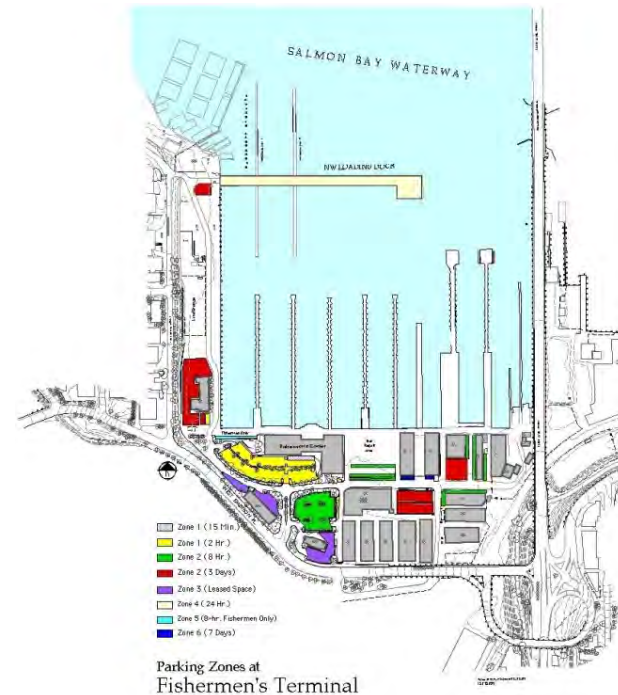

Value Added Loss Leaders

- Forklift Rental
- Crane Rental
- Recycling and Trash Services
- Provide both Bilge & Oil disposal

Parking and Loading Areas

- Convenient Parking
- Loading area is safe and accessible

Harbor Management & Staff

- Willing to Listen
- Want to help customer succeed
- Make customer feel they come first
